Annual Financial Statements for the year ended 31 December 2023

Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the company, and explain the transactions and financial position of the business of the company at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the company and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all office bearers are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

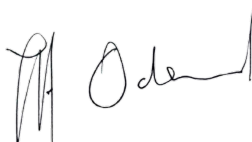

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources the directors have no reason to believe that the company will not be a going concern in the foreseeable future. The annual financial statements support the viability of the company.

The annual financial statements have been audited by the independent auditing firm, BDO South Africa Inc., who have been given unrestricted access to all financial records and related data, including minutes of all meetings of the shareholder, the directors and committees of the directors. The directors believe that all representations made to the independent auditor during the audit were valid and appropriate. The external auditor's unqualified audit report is presented on pages 6 to 7.

The annual financial statements set out on pages 8 to 18, and the supplementary information set out on pages 19 to 20 which have been prepared on the going concern basis, were approved by the directors and were signed on 26 March 2024 on their behalf by:

Jean Gerrit Heymans

Ferdinand Heinrich Odendaal

Creation Capital Investments (Pty) Ltd

(Registration Number 2021/942362/07)

Annual Financial Statements for the year ended 31 December 2023

Directors' Report

The directors present their report for the year ended 31 December 2023.

1. Review of activities

Main business and operations

The company is the issuer and manager of a listed domestic note programme. There were no major changes herein during the year.

The operating results and statement of financial position of the company are fully set out in the attached financial statements and do not in our opinion require any further comment.

2. Going concern

The geopolitical situation in Eastern Europe intensified on 24 February 2022, with Russia's invasion of Ukraine. The war between the two countries continues to evolve as military activity proceeds and additional sanctions are imposed. In addition to the human toll and impact of the events on entities that have operations in Russia, Ukraine, or neighbouring countries or that conduct business with their counterparties, the war is increasingly affecting economic and global financial markets and exacerbating ongoing economic challenges, including issues such as rising inflation and global supply-chain disruption.

The directors have considered the direct and indirect exposures to the impacts of the war and the resulting financial accounting and reporting implications on Creation Capital Investments (Pty) Ltd as part of their going concern assessment. This assessment has not raised any concerns regarding the going concern assumption and the directors believe that there is no need for any adjustments to the Financial Statements as a result of these events.

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

3. Events after reporting date

All events subsequent to the date of the annual financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.

The directors are not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the company.

4. Authorised and issued share capital

No changes were approved or made to the authorised or issued share capital of the company during the year under review.

5. Dividend

No dividend was declared or paid to shareholder during the year.

Directors' Report

6. Directors

The directors of the company during the year and up to the date of this report are as follows:

Mark Swilling

Freddy Malemela Magoro

Jean Gerrit Heymans

Ferdinand Heinrich Odendaal

Azola Lusanda Mayekiso (Appointed 19 April 2023)

Henk Petrus Barnhoorn (Resigned 19 April 2023)

7. Independent Auditors

BDO South Africa Inc. were the independent auditors for the year under review.

Independent Auditor's Report
To the shareholder of
Creation Capital Investments Proprietary Limited

Opinion

We have audited the financial statements of Creation Capital Investments Proprietary Limited (the company) set out on pages 8 to 18, which comprise the statement of financial position as at 31 December 2023, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Creation Capital Investments Proprietary Limited as at 31 December 2023, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards for Small and Medium Sized Entities and the requirements of the Companies Act of South Africa.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the document titled "Creation Capital Investments Proprietary Limited Annual Financial Statements for the year ended 31 December 2023", which includes the Directors' Report as required by the Companies Act of South Africa. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards for Small and Medium Sized Entities and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Accounting Policies

1. General information

Creation Capital Investments (Pty) Ltd ('the company') is the issuer and manager of a listed domestic note programme.

The company is incorporated as a private company and domiciled in South Africa. The address of its registered office is 194 Bancor Avenue, Waterkloof Glen, Pretoria, 0010.

2. Basis of preparation and summary of significant accounting policies

The financial statements of Creation Capital Investments (Pty) Ltd have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the Companies Act of South Africa. The financial statements have been prepared under the historical cost convention. They are presented in South African Rand.

The preparation of financial statements in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The principal accounting policies applied in the preparation of these annual financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Financial instruments

Unlisted investments

Unlisted investments are recognised initially at the transaction price, including transaction costs except where the asset will subsequently be measured at fair value.

Investments in partnerships are subsequently stated at amortised cost. The return is measured on the basis of the effective interest method and is included in the preferred return from partnership interest.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown in current liabilities on the statement of financial position.

Trade and other payables

Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Listed notes

Listed notes are recognised initially at the transaction price, including transaction costs except where the liability will subsequently be measured at fair value.

Listed notes are subsequently stated at amortised cost. Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

2.2 Tax

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

Creation Capital Investments (Pty) Ltd

(Registration Number 2021/942362/07)

Financial Statements for the year ended 31 December 2023

Accounting Policies

Basis of preparation and summary of significant accounting policies continued...

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the entity operates and generates taxable income.

2.3 Preferred return from partnership

The preferred return from partnership is accounted for in accordance with the relevant partnership agreement and is recognised in profit or loss in the period in which it is accrued.

2.4 Interest on listed notes

All interest on listed notes is recognised in profit or loss in the period in which it is incurred.

2.5 Related parties

A related party is a person or entity with the ability to control or jointly control the other party, or exercise significant influence over the other party, or vice versa, or an entity that is subject to common control, or joint control. As a minimum, the following are regarded as related parties of the reporting entity:

- A person or a close member of that person's family is related to a reporting entity if that person:
 - has control or joint control of the reporting entity;
 - has significant influence over the reporting entity; or
 - is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- An entity is related to the reporting entity if any of the following conditions apply:
 - The entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - Both entities are joint ventures of the same third party;
 - One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity;
 - The entity is controlled or jointly controlled by a person identified as a related party;
 - A person identified as having control or joint control over the reporting entity has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity);
 - The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.

3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

No significant estimates and adjustments have been applied in the preparation of these financial statements.

14. Events after the reporting period

All events subsequent to the date of the financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.

The directors are not aware of any matter or circumstance arising since the end of the financial period to the date of this report that could have a material effect on the financial position of the company.

All events subsequent to the date of the annual financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.

The directors are not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the company.

15. Going concern

The geopolitical situation in Eastern Europe intensified on 24 February 2022, with Russia's invasion of Ukraine. The war between the two countries continues to evolve as military activity proceeds and additional sanctions are imposed. In addition to the human toll and impact of the events on entities that have operations in Russia, Ukraine, or neighbouring countries or that conduct business with their counterparties, the war is increasingly affecting economic and global financial markets and exacerbating ongoing economic challenges, including issues such as rising inflation and global supply-chain disruption.

The directors have considered the direct and indirect exposures to the impacts of the war and the resulting financial accounting and reporting implications on Creation Capital Investments (Pty) Ltd as part of their going concern assessment. This assessment has not raised any concerns regarding the going concern assumption and the directors believe that there is no need for any adjustments to the Financial Statements as a result of these events.

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

16. Income tax paid

Income tax paid

Amounts receivable / (payable) at the beginning of the year	(97 239)	-
Amounts (receivable) / payable at the end of the year	168 411	97 239
Taxation expense (credit)	(355 183)	(97 239)
	<u>(284 011)</u>	<u>-</u>
